

# Happy Holidays

With the busy 2017 holiday season upon us, we would like to take the opportunity to thank you for your support throughout 2017. We look forward to continuing to work with you in 2018.

For the Christmas and New Year period, our last trading day will be **22 December** and we will be reopening on **8 January**.

If there are any urgent matters over this time, the following mobiles are available for calls:

**Con:** 0272 936 456      **Rob:** 0272 936 452

**Tim:** 0274 808 566

## Price increase of up to 8%

We would like to inform you of a price increase of up to 8% as of 1 January 2018. This will occur across select product groups. Your rep will discuss the specifics of this with you.

This is our first price increase in two years. We have been forced to make this decision due to exchange rate changes and an increase in the cost of raw materials.
